Step
to
future

The Indira Gandhi Group of Institutions has been successful in kindling and encouraging curiosity and academic engagement, as well as inculcating a zeal for higher education.

About

Founded in 2001, the Indira Gandhi Memorial Trust, embarked on its maiden venture in the field of education through its premier institution- Indira Gandhi College of Arts and Science. Over the years, the Trust has expanded its domain by including other initiatives, the Dental College, Engineering College, Paramedical College, Pharmacy College and Polytechnic Colleges - all catering to varied career interests.

The Indira Gandhi Group of Institutions has been successful in kindling and encouraging curiosity and academic engagement, as well as inculcating a zeal for higher education. The structured and methodical programmes offered by these institutions focus on hands-on training, industrial relevance and social significance, aided by teachers and instructors with unparalleled experience in their respective fields.

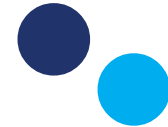

Our Mission

To create intellectuals with universal values, capable of embracing all cultures, religions and individual differences, to bring about a positive potential and peaceful influence, to society through affordable globalized education. To create advanced world class ambience of academic excellence in which new ideas, research and scholarship flourish and from which the leaders and innovators of tomorrow emerge.

Our Vision

To be the fountainhead of new ideas in education, research and innovation.

...it is the devotion of teachers, strict academic discipline, quality education and enthusiastic participation of parents and students...

From The Chairman's Desk

"It is my firm belief that no institution can produce good students through its grand and beautiful buildings; rather it is the devotion of teachers, strict academic discipline, quality education and enthusiastic participation of parents and students that bring applause and admiration for the institution".

Haji K.M. Pareeth
Chairman

Today, Indira Gandhi Memorial Trust is chaired by renowned social and political leader, Haji.K. M. Pareeth. It was under his initiative that the Trust attained great heights and he is the brain behind the formation of this Trust.

Dr. K.P. Siyad
CEO

Mr. K.P. Shibu
Director

Dr. K.P. Shiyas
General Secretary

About The Management

An all-round development will be provided by Indira Gandhi Group of Institutions to a student admitted in any of the colleges governed by the Indira Gandhi Memorial Trust. The group of colleges can bring out the best future for a student. Since 2001, the Group of Institutions has achieved many milestones and has improved ourselves and brought light to the lives of our students. The best teachers and mentors available in our Group of Institutions have always been a guiding light to our students. We have made a mark in the society as one of the most prestigious and most sought out institutions in Kerala. Together, we all can achieve and make our dreams into reality. The college offers many courses and the students can choose the most suitable course which is best for them. Equipped with the top notch modern facilities, the college provides every basic amenity that is needed for a student to bring out their potential. The Indira Gandhi Group of Institutions, a center of excellence and education will continue to thrive and help in moulding students achieve their dreams.

Founder Chairman, Haji. K.M. Pareeth along with Dr. K.P. Shiyas (General Secretary), Dr. K.P. Siyad (C.E.O.), Ms. P.U. Shereena (Treasurer), Mr. K.P. Shibu (Director) with Mr. K.P. Shaji, Mr. K.P. Sairaj, Ms. A. Shuhaina, Ms. K. Suhana, Dr. Nadah Najeeb Rawther, act as the trustees and take care of the activities of Indira Gandhi Memorial Trust helping in building a great educational society.

From The Principals' Desk

"Education is a prerequisite to progress and development of a society. Suitable education at the graduate and postgraduate levels can be a person's passport to cushy jobs and economic advancement in life. Giving proper training to the youths, college would equip them with deep subject knowledge and soft skills, helping them to attain better careers".

Dr. C. V. Thomas, Ph.D
Principal,
Indira Gandhi College of Arts & Science.

"Healthcare, being among the most emerging careers of the century, is offering a wide range of opportunities. Multi-discplinary nature of the healthcare system imparts teamwork of various medical, paramedical and non-medical professionals. The college started with Diploma in Health Inspector course (DHI) in 2007, approved by Kerala Paramedical council. The course program is designed to train professionals to work in the preventive phase of primary healthcare workforce".

Mrs. Bini Paul, M.Sc, B.Ed
Academic Director,
Indira Gandhi College of Paramedical Science.

"Management and faculties focus always on moulding each student as an efficient, socially committed and skilled dentist throughout their course and internship programs, to achieve our vision of making Kerala a global destination in specialized Oral & Dental health care".

Dr. Jose Julian, MDS
Principal,
Indira Gandhi Institute of Dental Sciences.

"A desire can change nothing, a decision can change something, but a determination can change everything. At Indira Gandhi Institute of Polytechnic and Engineering, students are being trained to a rigorous, broad academic process that goes beyond the class rooms. Our students are moulded into future ready world class engineering professionals through the combination of academics, co-curricular and extracurricular activities".

Dr. T. Justin Jose, Ph.D
Principal,
Indira Gandhi Institute of Polytechnic and Engineering.

"The college comprises of eminent academicians, who focuses on creating a new employable generation, with universal values, capable of influencing the society and strengthening the nation in a positive way".

Dr. J. Nandhakumar, M.Pharm, Ph.D
Principal,
KMP College of Pharmacy.

"To educate the student's fraternity by the application of science to the optimum conversion of natural resources to the use of humankind and to conquer tomorrow's technology at the global level of the human values through our dedicated team".

Mr. Revikumar, M.S, B.Tech
Principal,
Indira Gandhi Polytechnic College.

Eligibility

A Student who opts for Bachelor of Arts and Bachelor of Science should have studied the respective subject in their higher secondary classes and should have passed the higher secondary examination with minimum pass mark. Those who opt for Bachelor of Commerce should have completed higher secondary with minimum pass mark. Student's UG score must be 50% or CGPA - 2 and above, except for English & Commerce for their respective PG admissions.

Prospects

After successfully completing Under Graduation and Post Graduation, the scope of job opportunities are very vast. One could get Government Jobs, take up job as a College Lecturer and even take up Civil Service examinations.

INDIRA GANDHI
INSTITUTE OF
DENTAL SCIENCES

The college is located at Nellikuzhi, just 3 km ahead of Kothamangalam city, en route from Perumbavoor. Established in the year 2007, the college has become one of the most sought out college for polishing skills in the field of dental sciences.

Affiliations

Affiliated to Kerala University of Health Sciences, Thrissur.

Recognized by Ministry of Health and Family Welfare, Govt. of India and Dental Council of India, New Delhi.

Approved by Government of Kerala.

Course Offered - Bachelor of Dental Surgery (BDS)

Dental Departments

1. Prosthodontics and Crown & Bridge
2. Conservative Dentistry & Endodontics
3. Oral Pathology and Microbiology
4. Oral & Maxillofacial Surgery
5. Periodontology
6. Implantology
7. Orthodontics & Dentofacial Orthopaedics
8. Paediatric & Preventive Dentistry
9. Oral Medicine & Radiology
10. Public Health Dentistry

Medical Departments

1. Anatomy
2. Physiology
3. Biochemistry
4. Pharmacology
5. Microbiology
6. General Pathology
7. General Medicine
8. General Surgery
9. Anaesthesia

Course Duration

5 Years and **6 months** (Including **1 Year** Compulsory Rotating Resident Internship)

Research proposals by our students are regularly approved by ICMR

Salient Features

India's first Telemedicine Unit for Oral Cancer Screening

Students get trained using the most modern Computed Tomography, using CBCT 3D PRO

Palliative Care Training

Basic life support training program is given for all interns

Research proposals by our students are regularly approved by ICMR under the short-term studentship (STS) program

Students are encouraged to publish articles in international and national scientific journals

Well-equipped and full-fledged library

Excellent Students Supportive Faculty

Well furnished hostel facility

First fully solar powered Dental College

Eligibility

A Student should have completed higher secondary with Biology, Chemistry and Physics as the core subjects and should have cleared the National Eligibility cum Entrance Examination (NEET) conducted by National Testing Agency with sufficient cut off marks.
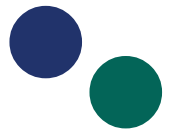

Prospects

BDS is one of the most sought out course in the medical field. Opportunities in industries, manufacturing oral care products, Research departments under Central and State Governments are some of the prospects under BDS.

India's first Telemedicine Unit for Oral Cancer Screening

**INDIRA GANDHI
INSTITUTE OF POLYTECHNIC
AND ENGINEERING**

Indira Gandhi Institute of Polytechnic and Engineering, established in 2009 is an emerging premier institute with international standards, which promotes excellent education in the field of Engineering and Technology. Indira Gandhi Institute of Polytechnic and Engineering focuses on developing academic and co-curricular activities of the students.

Affiliations

Approved by AICTE (All India Council for Technical Education).

Affiliated to A.P.J. Abdul Kalam Technological University.

Affiliated to State Board of Technical Education, Govt. of Kerala.

Courses Offered

M.Tech

1. Structural Engineering and Construction Management
2. Computer Science and Engineering
3. Communication Engineering

B.Tech

1. Computer Science & Engineering
2. Civil Engineering
3. Electronics and Communication Engineering
4. Electrical and Electronics Engineering

Diploma

1. Civil Engineering
2. Mechanical Engineering
3. Electrical & Electronics Engineering
4. Automobile Engineering
5. Tool & Die Engineering

Course Duration

For graduate level, the duration of the course is **4 Year**, for post graduate level, it is **2 Year** and for Diploma it is **3 Year** in their respective streams.

Eligibility (B.Tech/M.Tech)

Students who have completed higher secondary in science stream with subjects - Physics, Chemistry and Mathematics can appear for the entrance exam conducted by the Government of Kerala and get allotted to their respective interests of study.

Alternatively, those who have passed the higher secondary examinations in science stream with minimum percentage of marks as stipulated by Government of Kerala can join the management quota. Also, for those who have not written the entrance examination can also join through NRI quota admission.

Those who have passed the under graduate course with minimum percentage of marks stipulated by the Kerala Technological University, can join for the M.Tech courses. Also, Lateral entry admissions to second year B.Tech can be utilized for those who have passed the Diploma in Engineering.

Eligibility (Diploma)

Students who have passed SSLC can apply in their course of interest. A Student who have passed higher secondary with Physics,

Chemistry and Mathematics can get admission directly to the second year through lateral entry.

Salient Features

Research and Development Cell

Industry Institution Interaction Cell

Training & Placement Cell

Well established Entrepreneurship Development Cell

Well equipped Digital Library

Well equipped Workshops and laboratories

Hostel facilities for Boys & Girls

Transportation facilities for the day scholars

Cafeteria

Prospects

Excellent job opportunities await the students who complete the course, such as Academic Researcher, System Analyst, Database Manager, IT Technical Content Developer, Embedded Engineer and in the areas of Railways, Airports, Power Grid Electrical Department etc.

Solar Powered Steam Carwash, a project by Industry Institution Interaction Cell

**INDIRA GANDHI
COLLEGE OF
PARAMEDICAL SCIENCE**

Affiliations

Approved by Government of Kerala.

Course Offered -

Diploma in
Health Inspector (DHI)

The institution provides exposure to latest technology and advanced system. Socially committed and skilled graduates are always a boon to the society. The institution delivers quality education to the young generation.

Salient Features

Ambient, Green rich campus

Information Centre

Transportation facilities

Separate hostel facilities for both boys and girls

Eligibility

Minimum 45% marks in higher secondary / VHSE, with Physics, Chemistry and Biology as core subjects.

Prospects

Can pursue a career in Public Health, Sanitation and Private Medical Bodies.

Course Duration
Duration of the course is **2 Year**

INDIRA GANDHI
POLYTECHNIC
COLLEGE

INDIRA GANDHI GROUP OF INSTITUTIONS

IGGIS

The College was established in the year 2018. Since its inception, the college is offering good quality technical education and polishing the skills of the students, which helps them in making their dreams a reality. The college is situated at Odakkali near Perumbavoor.

Affiliations

Approved by AICTE.

Affiliated to State Board of Technical Education, Government of Kerala.

Courses Offered

Diploma
1. Chemical Engineering
2. Civil Engineering
3. Mechanical Engineering
4. Electrical & Electronics Engineering
5. Automobile Engineering

Salient Features

Language Lab

Very enthusiastic Department Associations

Well-maintained Playground

A good network of Transportation Facilities

Well-furnished Boys Hostel

Eligibility

Students who have passed SSLC or equivalent can apply in their course of interest. A student who have passed higher secondary with Physics, Chemistry and Mathematics, can get admitted directly to the second year through lateral entry.
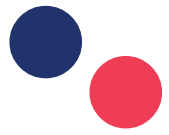

Prospects

Excellent job opportunities await the students who complete the course such as in the areas of Railways, Airports, Power Grid Electrical Department, etc.

Course Duration
Duration of the course is **3 Year**

**KMP
COLLEGE OF
PHARMACY**

INDIRA GANDHI GROUP OF INSTITUTIONS

iGGiS

Affiliations

Approved by Pharmacy Council of India (PCI, New Delhi).

Affiliated to Kerala University of Health Sciences (KUHS, Thrissur).

Affiliated to Directorate of Medical Education (DME, Trivandrum).

The institution thrives to create individuals, that help to improve the health sector and to improve the quality of pharmacy services. The institution moulds individuals who will lend their hand to help different communities of the world.

Courses Offered

B.Pharm
D.Pharm

Eligibility

B. PHARM

Candidates who have passed higher secondary examination in Kerala or recognised as equivalent there to with, 50% marks in Biology or Mathematics separately and 50% marks in Physics, Chemistry and Biology or Mathematics put together are eligible. The applicants should have completed 17 years of age as on 31/07/2021.

D. PHARM

Candidates who have passed higher secondary examination of the kerala state with Physics, Chemistry and Biology/ Mathematics as optional subject and equivalent or V. H. S .E of Kerala from

1994- 1995 sessions with Group A and B considered as equivalent examination are only eligible for admission to D.Pharm. Group A – NCERT syllabus in Physics, Chemistry and Mathematics. Group B - NCERT syllabus in Physics, Chemistry and Biology.

Salient Features

Spacious lecture halls

Language laboratories

Highly qualified, experienced and dedicated faculty

Ideally located

Separate hostel facilities for both boys and girls

Prospects

On successful completion, a student can work as a pharmacist and in other related fields such as Production, Quality Control and Clinical Trial organizations.

Course Duration

Duration of B.Pharm is **4 Year** and D.Pharm is **2 Year.**

Students' Voice

Dr. Sajana Salim

Graduated in 2016, Indira Gandhi Institute of Dental Sciences.

"I feel proud and blessed to be a part of Indira Gandhi Institute of Dental Sciences. My college life played a crucial role in moulding me into a talented professional and changing the vision about my life. This was made possible by the extremely skilful team of faculty, friends who always instilled positive vibes in me and the very environment of the college. Every exam I took on the behalf my course were real journey of trust and success. I am really grateful and happy to be a part of it".

Dr. Nitha Jose

Graduated in 2018, Indira Gandhi Institute of Dental Sciences.

"I pride myself for being an alumnus of Indira Gandhi Institute of Dental Sciences because of the dynamic & innovative clinical and academic educational portfolio. Indira Gandhi Institute of Dental Sciences is a great place to study and to get tuned into finest dentists. The staff here have always been on hand to help with any queries or support and guidance. The extensive patient exposure provided by the college is exceptional and thus instilled the confidence in me to start my private practice as soon as I finished my graduation".

Dr. Shereef K. Bava

Graduated in 2018, Indira Gandhi Institute of Dental Sciences.

"Thank you so much for this opportunity. As an undergraduate student in Indira Gandhi Institute of Dental Sciences, I received an education that was second to none, along with exceptional support from academic and clinical staff alike. The skills learnt have enabled me to take a great pride and find joy and satisfaction in my day to day working life".

Jobsy Judit

Graduated in 2020 - B.Com Finance & Taxation, Indira Gandhi College of Arts and Science.

"I am extremely grateful to the management and staff for their tireless efforts to ensure a bright and prosperous future for us. During my study period, I found the college to be the best, as the staff were able to deliver the best of education. Staff members were always ready to help. Indira Gandhi College of Arts & Science gives a great opportunity for students to broaden their knowledge beyond their field of studies within a vibrant environment".

Jayasree O.V.

Junior Health Inspector, Perumbavoor Municipality, Govt. of Kerala. Graduated in 2016 - Indira Gandhi College of Paramedical Science.

"I have chosen the right college and program to study according to my interests. The DHI course from the Indira Gandhi College of Paramedical Science has given me a head start in my career".

Manu Augustine

(Founder CEO - Arvin Technologies) Graduated in 2020, Indira Gandhi Institute of Polytechnic and Engineering (M.Tech).

"My time at the Institute was an experience I will cherish forever. The college has given me a wonderful life with a good career. The Friendly attitude of the staff and their willingness to always offer a helping hand has made me feel a part of the IGGIS family".

Anju K.P.

Indira Gandhi Institute of Polytechnic & Engineering (2015 - 2018)

"Indira Gandhi Institute of Polytechnic and Engineering not only made me an engineer but made me self-dependent and a worthy woman. The credit goes to all my Professors and to my Principal".

Sen Sagacious

Indira Gandhi Polytechnic College (S5 - Mechanical)

"I am really happy to be a part of Indira Gandhi Polytechnic College as it has changed my attitudes towards learning. The teaching faculty is extremely talented and helpful. The periodic test helped me to analyze my performance throughout my preparation and improve accordingly".

Dr. Varada

Graduated in 2017, Indira Gandhi Institute of Dental Sciences.

"My experience here at Indira Gandhi Institute of Dental Sciences has given me the extended knowledge, I need to take my career in a totally different path. I'm beyond pleased with all that I have learnt and gained throughout my time here. The clinical exposure and patient management which I have grabbed from Indira Gandhi Institute of Dental Sciences gave me the extra confidence I needed to keep pushing towards building my own empire".

Our
Achievements

Indira Gandhi Institute of Dental Sciences had won the 1st runner-up position in IDA fest 'Vaibhavam', 2019 conducted at Varkala; where 23 dental colleges all over Kerala participated.

Students of Indira Gandhi Institute of Polytechnic and Engineering, won KSCSTE (Kerala State Council for Science, Technology and Environment) fund for their project to Build Engine which runs on Biogas.

Nithin Xavier from Electrical Department of Indira Gandhi Polytechnic College, secured First Prize in Aerodrone Design held at TKM Engineering College, Kollam.

Indira Gandhi Institute of Dental Sciences was the First among private dental colleges in KUHS (Kerala University of Health Sciences) Fest 2018, 'KITHAB' and also secured fourteenth position out of 82 colleges in central zone. In the Inter zone KUHS fest, Indira Gandhi Institute of Dental Sciences bagged the first prize for Light Music and Classical Music and

also bagged the Prizes in Arabic versification, Photography competition, English recitation and Tiktok competition etc.

Indira Gandhi Institute of Dental Sciences was also first among OMFS Marathon meet.

The staff and students team of Indira Gandhi Institute of Dental Sciences had won cash prize at MAXFAC@50 Road Safety Awareness Programme, Walkathon conducted at Durbar Hall, Ernakulam by the Association Oral and Maxillofacial Surgeons of India.

Indira Gandhi Institute of Polytechnic and Engineering ranked second among all Engineering colleges affiliated to MG University in 2014 - 18 batch with 97% of result in B.Tech.

Indira Gandhi Institute of Polytechnic and Engineering, maintains an active NSS cell and our student, Anuja Mohankurup of Civil Department won the best NSS volunteer award by Kerala state NSS Technical Cell.

Indira Gandhi Institute of Polytechnic and Engineering bagged the Best Project Award at MBITS Poly Expo 2019, for 'Super Sturdy Multipurpose Vehicle'.

Providing Laptops at Free of Cost

As everything go online, Laptops are an inevitable educational tool nowadays. IGGIS started the new academic year by providing brand new laptops at free of cost to their students.

Prepare Today For Tomorrow's Technology

Along with providing top notch education facilities, it is equally important for each professionally elite colleges under IGGIS trust, to make sure that enough placements or ample arrangements are being made to secure the career of the students. To attain the same we conduct various campus recruitments every year. Another milestones has been achieved last year by conducting a job fair on 27th March 2021. Twenty Eight (28) companies functioning in various streams conducted their selection tests and interviews for the recruitment process. 2570 candidates attended the job fair, 452 got selected in different companies, including 101 students from Indira Gandhi group of institutions.
