## Overview

INDIRA GANDHI COLLEGE OF ARTS & SCIENCE is a first grade Post Graduate institution of higher education established in the year 2002 at Nellikuzhy about 3 KM from Kothamangalam, the Educational Hub of Kerala. Our institution is offering Ten postgraduate and Seventeen undergraduate courses in Science, Commerce, Management, Computer Science and Humanities disciplines.

## Event

This workshop gives an overall idea about Flutter, a UI toolkit for building natively compiled applications for Mobile, Web and Desktop from a single codebase. This can also lead to enhanced carrier opportunities, as Flutter is widely used for cross-platform app development. Additionally you will have hands-on experience with Dart Programming language a valuable skill for modern application development. With immense pleasure we, the organizing team, cordially invite your esteemed presence on 30th January for gracing the state level one day Workshop on “WONDERS IN FLUTTER DEVELOPMENT” at our reputed institution.

Regards,

Management, Principal, Staff and Students
