### HEI Appeal Explanation

To clarify our submission regarding Criterion 5.2.2 (Percentage of students qualifying in state/ national/international level examinations) during the last five years

1. **Clarification & Justification**
   - ➢ The significant reduction in numbers by the DVV does not accurately reflect the number of students qualified in state/national/international level examinations.
   - ➢ Our data includes the year wise list of students qualified for the examinations and copies of the qualifying certificates duly certified by principal, which align with NAAC's criteria for this metric.
