HEI Appeal Explanation

We respectfully appeal for a reconsideration of the Data Validation and Verification (DVV) outcome regarding the number of awards/medals received by our students for outstanding performance in sports and cultural activities at the national and international levels over the last five years. The revised figures after DVV verification show a significant reduction compared to our initial submission. We provide the following justifications for our appeal:

1. Submission of Documentary Evidence

The institution had submitted supporting documents, including certificates as proof of

Kothamangalam, Ernakulam Dist., Kerala, Pincode - 686691**

student achievements in various competitions. We request clarification on the specific criteria used to exclude certain awards and medals from the final count.

2. Misclassification or Exclusion of Certain Events

The drastic reduction in the number of awards suggests a possible misclassification or exclusion of certain eligible achievements. We request a detailed explanation of the exclusions so that we may provide additional clarifications or supporting documents to justify our claim.

3. Request for Re-verification

Given the institution's strong participation in sports and cultural activities at various levels, we believe our reported data accurately represents student achievements. We earnestly request a re-verification of our submission, considering all relevant documents and criteria. If any additional clarifications or documents are required, we are prepared to provide them.

We appreciate the rigorous validation process and remain committed to ensuring accuracy and transparency in our submissions. We look forward to a fair reconsideration of our reported data.
